

## OURGOAL

At Hammer & Nails Grooming Shops for Guys, our goal is to create a setting that encourages men of all ages to receive a regular grooming regiment of haircuts, shaves, pedicures and manicures in a shop designed with them in mind, regardless of the color of their collar. Making every guy feel like a king, while he takes care of himself, is paramount to our success. Gone are the days of men having to endure a visit to the nail salon with its bright lights, gossiping and uncomfortable stares. Hammer & Nails Grooming Shop for Guys is turning the men's grooming experience on its head by providing a man cave nirvana specifically designed to relax and pamper our clients. Over-sized leather chairs, warm lighting, and personal TV and audio all come together to create an experience unique in the industry.

## KINGTREATMENT

Each of our skilled barbers and nail techs is licensed in the state in which they practice their craft and certified to provide our proprietary treatments. Every member of our team embraces the often-lost idea that client satisfaction is the number one priority and they'll always go the extra mile to ensure that your experience is all that it should be. Whether it's getting you a complimentary drink, being sure that your headphones fit just right or simply listening to you talk about your day, we're here to make you feel like a king!
